

## Boarding Agreement Addendum Group Play Authorization

This is an addendum to the boarding agreement. I am the legal owner or authorized agent of this dog and I agree to pay the daily boarding fee and any additional fees for all ancillary services requested. I am not aware of any medical reason or other reason why my pet should not board at this time. Additionally, I am authorizing **Petville Pet Hotel** to obtain medical records from my veterinarian in the event of a medical emergency. I understand that I must immediately contact Petville Pet Hotel and update the information on this form should medical or any other critical information change. This agreement remains in effect until **Owner/Owner's Agent** asks to change it.
